2 April 2021

Dear Sir or Madam

### **UPDATE OF WATERPROOFING WORKS M1 Junction 20 Lutterworth Interchange North Bridge**

I am writing to let you know that we have amended the dates for the essential renewal works to the waterproofing system on the north bridge located at junction 20 on the M1.

During our scheme of work, we will:

- plane off the existing carriageway surface
- remove and replace the existing waterproofing system
- resurface the carriageway

Once completed, our works will prevent water leaking onto the bridge decks, which in turn will protect the structures.

#### **When will the work take place?**

The scheme is due to start on **Friday 16 April 2021** and is scheduled for completion by **mid-May 2021**.

We will now be working on the north bridge over the following dates:

- from **8pm Friday 16 April 2021** to **6am Monday 19 April 2021**
- from **8pm Friday 23 April 2021** to **6am Monday 26 April 2021**
- from **8pm Friday 07 May 2021** to **6am Monday 10 May 2021**
- from **8pm Friday 14 May 2021** to **6am Monday 17 May 2021**

Please note that all our planned roadworks may be subject to change due to adverse weather conditions or unforeseen circumstances, we aim to complete the works as soon as possible and may not require all planned weekends.

## How will the work affect traffic?

To maintain a safe environment for our workforce and customers, we will work under full carriageway closures. All the sliproads at junction 20 will remain open throughout the works, however, vehicle access across the north bridge from the A4303 will not be permitted. Fully signed diversion routes have been put in place and all carriageways and bridges will remain open outside of our working hours.

## Maintaining safety during Covid-19

We are working hard to maintain the road network and are prioritising critical operational activities. This will help ensure that life-saving medicine, equipment, supplies and healthcare staff can travel to where they're needed most.

All our sites have strict safeguarding measures, in line with Public Health England guidance, to prevent the spread of Covid-19 and none of our sites are open to the public. All construction projects are closely monitored, and the situation is kept under constant review.

## Contact us

If you have any questions about this work, please contact our **Public Liaison Officer**, Karen Reeve, as follows:

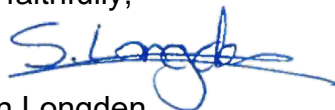

- Email: [EMADcomms@kier.co.uk](mailto:EMADcomms@kier.co.uk)
- Telephone: 07768 796542

Alternatively, you can contact our Highways England Customer Contact Centre as follows:

- Email: [info@highwaysengland.co.uk](mailto:info@highwaysengland.co.uk)
- Telephone: 0300 123 5000

We apologise for any inconvenience caused and will do our very best to complete the work as quickly as possible.

Yours faithfully,

Steven Longden  
Project Manager  
Highways England
